LISTEN/POST: <https://soundcloud.com/cashcash/cash-cash-lightning/>

New York based DJs/producer trio **Cash Cash** turns up with a new smash just in time for springtime—“**Lightning**,” which “*stir[s] up early-2000s nostalgia*” with an iconic feature from Goo Goo Dolls’ front-man, **John Rzeznik**, “*an infectious radio smash destined for inspiring festival-sized sing-a-longs throughout the summer*” ([Dancing Astronaut](#)).

JP Makhoulouf, Alex Makhoulouf and Sam Frisch set the tone again with this new track, coming off the heels of a buzzing radio success, “**Take Me Home**” ft. **Bebe Rexha**, currently holding the #16 spot on Top 40 radio, a song that “*solidifie[d] the group’s artistic status...*” ([Billboard](#)) and heralded a Top 25 debut on Billboard’s “Dance/Electronic Song” chart.

Catch the boys live as they “*light things up*” ([VIBE](#)) on their North American **OVERTIME TOUR** including dates in Austin at **South By Southwest** as well as Miami where they will heat things up at Winter Music Conference, including a set at the “**Big Beat & Friends Miami Rooftop Pool Party**” and a special hometown set at **EDC NY** this May!
